St. Joseph the Worker's mission began 33 years ago in response to a humble plea from homeless individuals receiving a meal in the park... "We want jobs, but we don't have the tools."

St. Joseph the Worker provides the resources necessary to gain and maintain employment. We offer our clients a hand up- not a hand out, building on strengths and helping to reduce or eliminate barriers to employment.

We witness success every day because of **SPONSORS LIKE YOU.**

Below you'll find the Celebration of the Worker breakfast sponsorship opportunities. We can also customize a package to suit your organization's needs.
