Annual Community Breakfast

2022 Sponsorship Opportunities

Your sponsorship provides a hand up, not a handout.

St. Joseph the Worker (SJW) relies heavily on the support of community champions—individuals and companies—to fulfill the mission day in and day out.

St. Joseph the Worker's mission is to connect the Valley's disadvantaged, homeless and transitioning individuals to quality jobs. We do this by providing 1:1 support, resources, and tools necessary for becoming employable. SJW hopes that by creating this connection, they will become independent and lead healthier lives that benefit their community and families.

Funding diversification is important to the financial health and stability of serving over 7,000 individuals with employment. Currently, SJW has two annual events that helps to raise critical funds to meet the demand of our growing community needs, our Celebration of the Worker community breakfast and our Hike for the Homeless.

We invite you to consider partnering with us throughout the year in a capacity that helps to meet your own social responsibilities, marketing, and community awareness needs. When you support SJW, you

Thank you for your consideration and partnership in building a stronger community for all.

Sincerely,
